

ESCAPE ROOM TEAM BUILDING PROGRAM

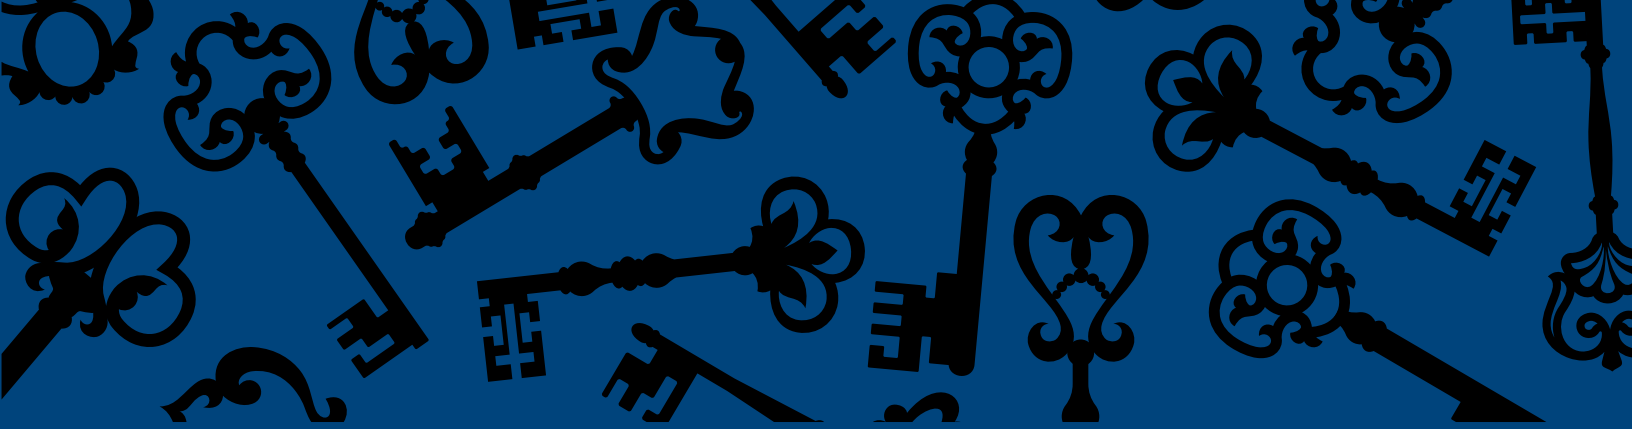

We are excited to announce a team-building activity that is both thrilling and challenging—a captivating escape room experience! This activity is not only incredibly fun but designed to also strengthen your team's communication, problem-solving, and collaboration skills.

WHY AN ESCAPE ROOM?

Escape rooms have gained in popularity as an immersive and interactive adventure where participants are locked in a themed room and must work together to solve puzzles, uncover hidden clues, and find a way to escape before time runs out. These kinds of activities require individuals to pool their collective intelligence, creativity, and problem-solving abilities to successfully navigate through the challenges presented in the room.

HERE ARE SOME KEY BENEFITS OF PARTICIPATION IN AN ESCAPE ROOM TEAM-BUILDING EXERCISE.

Collaboration: Escape rooms emphasize the importance of working together as a team. Your team will need to communicate effectively, share information, and combine their individual strengths to solve puzzles and complete tasks.

Problem-Solving Skills: The puzzles and challenges within the escape room will require your team to think critically, analyze situations, and find innovative solutions. This experience will enhance their problem-solving abilities and encourage them to approach challenges from different perspectives.

Time Management: With a limited amount of time to escape, your team will learn to manage their time efficiently, prioritize tasks, and make quick decisions. This exercise will help them develop a sense of urgency and focus under pressure.

Communication: Clear and effective communication is crucial for success in an escape room. Your team will need to listen actively, convey information accurately, and coordinate their efforts to overcome obstacles. This experience will enhance their teamwork and communication skills.

Fun and Bonding: Above all, escape room exercises provide teams with an enjoyable and memorable experience. As your team works together to unravel the mysteries and conquer challenges, they will strengthen their relationships, build trust, and foster a sense of camaraderie among team members.

OUR ESCAPE ROOM EXPERIENCE

July of 1775, Boston is occupied by the British Army. New Hampshire militia are gathering to march south and assist the newly arrived George Washington. Colonel Sullivan has written letters for Washington that detail the whereabouts of troops, supplies, and munitions. So these dispatches don't fall into the wrong hands, Sullivan locked them in a box in the parlor of Folsom Tavern. It is your responsibility to get the dispatches to the horseman who is leaving for the camp of General Washington in a half an hour.

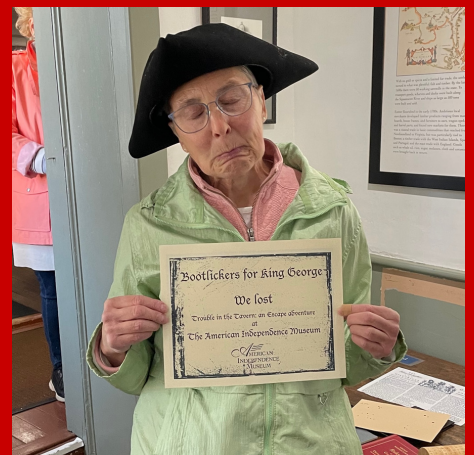

Only fellow patriots will be able to unlock the box. Are you a patriot? Can you escape Folsom Tavern?
