WHY VISIT **AIM?**

Aligned with educational curricula, our field trips provide a practical and enriching experience, fostering a deep appreciation for the United States' foundational principles and civic engagement. Join us for an educational journey that instills historical consciousness and pride in our nation's legacy.

MULTIPLE PERSPECTIVES: PATRIOTS & LOYALISTS

Program Overview:

Join us for an engaging and immersive educational field trip experience designed specifically for 5th-grade students. Our field trip, "Multiple Perspectives: Patriots & Loyalists," offers a 2-hour on-site journey into the past where students will step into the shoes of Patriots, Loyalists, and Neutrals to uncover the complexities of the American Revolution.

Field Trip Learning Objectives:

- Students will understand the contrasting viewpoints of Patriots, Loyalists, and Neutrals during the American Revolution, exploring how differing beliefs influenced historical events.
- Through comparisons of daily life then and now, students will recognize similarities and differences between the American Revolution era and today.
- By analyzing motivations behind diverse perspectives during the American Revolution, students will evaluate their alignment with different sides and articulate reasons for their choices.

Cost:

\$10 per student, paraeducators and teachers free; \$5 for other adults.
