

2026 BUSINESS PARTNERSHIP OPPORTUNITIES

What is the American Independence Museum?

Founded in 1991 in historic Exeter, NH, the American Independence Museum develops programs, exhibits, tours, and events that explore our national struggle for independence and its ongoing relevance. Our mission is to engage, educate and excite people of all ages, to understand and celebrate the American struggle for freedom and self-governance and to preserve and share our buildings, grounds and collection so they will be an inspiration for generations to come.

Why support the American Independence Museum?

As a partner, your reach is substantial. We welcome more than five thousand annual visitors to our campus in Exeter and more than 40,000 to our website each year. Your support of AIM enhances your company's marketing and philanthropic objectives as well as advancing our critical mission. Your support of the American Independence Museum also makes clear your shared conviction that democracy is just as crucial today as it was in 1776. The celebration of the 250th anniversary of the Declaration of Independence in 2026 is a unique moment in history bringing even greater attention to our shared stewardship of this shared heritage.
